PARENTAL STATEMENT OF COMMITMENT

The Church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assists them in their efforts to share the Faith with their children.

At Baptism parents make a solemn commitment to raise their children "in the practice of the Faith". Families are expected to actively participate in the life of the Church, especially in the Sunday Mass.

Initials

Parents support the religious education curriculum by:

- Participating in parent sessions and working with their children at home.
- Ensuring their children attend class regularly and complete assigned work, and
- Cooperating with the catechist, coordinator and the pastor to promote the best possible learning experience for their children.

I understand these expectations and will do my part in cooperation with the Parish Religious Education Program.

Consent to Correspondence:

The St. James Parish PREP office and/or its catechists and volunteers may need to contact you throughout the school year with regards to the PREP program. This includes but is not limited to telephone, written and electronic correspondence, specific program events and dates. By signing this form, you are granting the St. James PREP office to contact you by telephone or email.

I consent to having St. James parish collect personal information that may include student identification information, Baptism, Reconciliation and Communion certificates, catechism records, parent contact information, health information as provided by the parent/guardian, emergency contact information and any similar information required for registration.
